

Investing for Success

**Under this agreement for 2022
Mount Morgan Central State School will receive**

\$125 288

This funding will be used to

- 75% of students receiving a C or above in Mathematics P-6.
- 100% of leadership and teaching staff building on intentional collaborative work to unpack Mathematics curriculum.
- Reduce SDAs using a clear, consistent PBL model that supports staff and student well-being.
- Lift Reading across Mount Morgan Central State School through Leadership Professional Development.
- Decrease absences of all students through A02

Our initiatives include

- Embed a culture that promotes and supports staff in understanding the Mathematics component of the Australian Curriculum through a clear and consistent plan in a consultative process.
- Build capability of teaching staff of inclusive practices to lift student outcomes in Mathematics through a consultative approach
- Build a PBL team that identifies a clear consistent approach across the school through a consultative approach.
- Build a data literate team through professional development and building staff capabilities in Reading using research-based literacy.

Our school will improve student outcomes by

Using TA resources to intensively support students in achieving a C or better in Mathematics	\$ 56 000
Through a collaborative approach with PBL schools provide PBL team opportunities to develop skills through PD and school visits.	\$ 5 000
Provide leadership with PD opportunities to upskill in Reading through Reading and Writing Centre.	\$ 5 000
Provide student support through 0.01 teacher for ARTS curriculum so HOC can build capabilities in Mathematics (ACARA)	\$ 11 500
A02 follow up on absences daily to increase attendance for all students.	\$ 41 000
Wellbeing programs and initiatives to build on student mental health and wellbeing	\$ 6 788
